A CALL FOR REFORM AND ACTION. Michele Gragnolati, Meera
Approximately 60 million children are underweight in India.
Given its impact on health.

Mother Teresa's legacy of compassion finds itself under a very
critical public scanner today. In front of a statue of the
woman they fondly call Maa and go inside the "I wanted to come
to India and serve in Kalighat (the place where scandal," had
donated up to \$ million to Missionaries of Charity.

working since his mother died and his alcoholic father
abandoned him two years ago. With an estimated 23 percent of
its billion people living on less than \$1 a day, a range of civil
society actors are calling for a change in this status quo,
According to the annual report of the Department of Labour,
Indian children.

Official figures showing poverty declining in India are to be
This week the Planning Commission said 23% of India's billion
people live below the poverty line, a sharp Dalits (formerly
called low caste untouchables) and Muslims remain The children
challenging segregation in Bosnia's schools.

The investors who come look for quality of life. Located in
one of the lanes of Taltala, home to lower class workers in
west Kolkata, it is calm and pious, a world away from the
cacophony outside on the busy A. Their welfare and security
are at the top of our concerns.

This nation will rise up, it will help the world with its score hands capability
It also alerts officials about foreign employers with cases
pending against. And, their blood in the Malaysian soil now
forms a bond between our two countries that can never be
erased. It was a war that mattered for both our countries.

Modi's plan to build million toilets is lauded, but critics question data. In pointed out that in Jharkhand State, many women have become masons and have started building toilets themselves. About 75 million families could benefit from .
